

Copenhagen, 9 June 2019

To whom it may concern,

I hereby attest that DTU Compute supports PhD student Maximillian F. Vording's external research stay at the university of Cambridge in the period September 2019 to January 2020, with 20.000,00 DKK in accordance with DTU Compute's rules for financial support of PhD students working and studying abroad.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mikkel N. Schmidt", is written over a light blue rectangular background.
